Full steam ahead

by Ilouise Le Roux

With 2025 out of the starting blocks our team is ready to embrace the second quarter of the year. The first term has been a very productive time. We started our language enrichment program at Eunice Primary school, we performed hearing screening at Willem Postma Grade R and checked that –children hearing is within normal limits. The practice also participated in Willem Postma's wellness day. We were able to diagnose and fit multiple patients with hearing aids and connect them with the gift of sound. We also screened more than 300 newborns. Individual speech therapy sessions are well underway as well as our services to help patients recover at CityMed rehabilitation hospital.

QUOTE OF THE MONTH

by Ratan Tatax

"The only way to do great work is to love what you do"

The inside look at what we do when we are not at work

I**louise:** A strong leader in scrubs, she thrives under pressure with skill and compassion. Determined and resilient, she proved her endurance by conquering the Rome Marathon'2025.

Zeenat: She may be small, but she is fierce. Never one to shy away from a challenge, she took to the skies in 2024, skydiving with the same boldness she brings to life every day.

Hardia: She is a creative soul, expressing herself through both art and baking. Whether painting a canvas or decorating a cake, she pours her heart into every detail.

Rene: The only staff member with green fingers. She is gentle and patient, finding joy in nurturing life, whether in people or plants.

Cornelia: She is warm and considerate, she listens with care and always puts others at ease. Patient and grounded, she finds peace in fishing, enjoying the quiet moments as much as the catch.

Welcome onboard, Adeline!

Ladies and gentlemen, hold on to your seats because we have a new superstar joining our team! We are ecstatic to introduce Adeline to our Speech Therapy team. This super mom just moved from Cape Town and is set to shake things up and bring fresh perspective to our practice.

Why People Choose Us...

"Impressed by the friendly, professional, punctual way in which I was treated. The way I was treated with endless patience can only be commended. Both audiologists listened carefully to my questions and they were sensitive to the emotional aspect of having to adapt to hearing aids."

"Overall happy with your practice, very happy with the Audiologist Zeenat, you will reach the stars with your helpful and caring nature."
